

CRYSTAL CLEAR FIREPLACE GLASS CLEANER

Crystal Clear Fireplace Glass Cleaner restores the clarity of wood heater glass and adds a protective coating to make future cleaning easier. It removes stubborn tar, creosote and soot for a clear, streak-free view.

Formulated for high-heat glass, it cuts through baked-on residue like creosote without scratching and leaves a smooth finish. Ideal for regular maintenance in homes or commercial settings, it keeps glass spotless and easier to clean over time.
