

# STAINLESS STEEL WIPES

**Magic Stainless Steel Wipes make it easy to clean, polish, and protect stainless steel surfaces. The pre-moistened wipes remove fingerprints, smudges, watermarks, and grime, leaving a streak-free finish while helping protect against future marks.**

Designed for convenience, these wipes save time and effort compared to traditional cleaners. They're versatile enough for use on a range of stainless steel, chrome, and aluminium surfaces, from brushed to polished finishes. Our unique formula is Australian owned and trusted by Australians since 2006.
