

HOTPLATE RESTORER

Magic Hotplate Restorer is Australia's original hotplate restorer, trusted since 1979 to restore the lustrous black finish of solid cast iron hotplates. Its built-in sponge applicator makes it easy to apply, helping protect hotplates against rust, flaking and pitting while keeping them looking their best.

Over time, solid cast iron hotplates can become dull, discoloured and prone to rust, particularly when cleaned with unsuitable products. Magic Hotplate Restorer restores their black finish and helps maintain their appearance and performance. Australian Made & Owned, it provides a simple solution for restoring and maintaining solid cast iron hotplates.

BENEFITS & POINT OF DIFFERENCE

- ✓ Easy, Mess-Free Application
- ✓ Australia's Original Hotplate Restorer
- ✓ Since 1979

Australian Made & Owned

IDEAL FOR:

For best results, apply Magic Hotplate Restorer while the hotplate is still slightly warm (not hot). Reapply regularly to maintain the black finish and help prevent rust.

SOLID HOTPLATES

BUILT IN APPLICATOR

CUSTOMER REVIEWS

"It really does work wonders, have been using it for decades. It can mean messy but the terrific result is well worth the clean up effort."

- KIM

"Excellent product. I highly recommend it!"

- Beth

"Brilliant stuff!"

- John
