FIRE wise EST. 1979

BLACK BEAUTY CAST IRON STOVE POLISH

Over time, cast iron stoves and wood heaters can become dull, faded and prone to rust. Firewise Black Beauty Cast Iron Stove Polish restores and preserves the original black satin finish of cast iron surfaces, helping to protect against rusting and flaking while revitalising their appearance.

RETAIL PACK INFORMATION		
200mL Bottle - SKU# 03-200		
Description	Dimensions	Unit Qty
200mL	W50.5 x D50.5 x H184mm	1

CUSTOMER REVIEWS

"Made my old wood fire look like new. Easy to use and no mess. Even when heated to cure it there was no smell. Highly recommend it."
- Michael J.

"This product is great to use, my stove has come up looking so nice. It was easy to use and apply. Looked good even before heating to set the polish."
- Christine
