Rubbedin Magic NATURALS

UNIVERSAL 6in1 CLEANER

CONCENTRATE CLEANER & DISINFECTANT

Magic Universal 6in1 Cleaner Concentrate is a commercial-grade disinfectant and multi-purpose cleaner that replaces multiple products with one versatile solution. Available in a 500mL twin-chamber measuring bottle and convenient 1L refill, it disinfects surfaces, tackles grease, removes odours and struvite, and cleans floors, drains and everyday surfaces.

Powered by naturally derived Surfactin and Thymol, this advanced formula breaks down dirt, grease, struvite and germ cells so they can be washed away—without relying on bleach or harsh chemicals. The twin-chamber bottle makes dilution easy and accurate, while the 1L refill helps reduce waste and keeps your cleaner topped up.
